Product Discontinuance Notification

Dear valued customers

This is to inform you formally that the following products are being discontinued. This notification is for your company to take appropriate action should your internal documentation for these part numbers need to be updated.

【Products affected】

Product Name	Model Number
Pressure transducer	PA-708-102R-10-PB
	PA-708-302R-10-PB
	PA-708-602R-10-PB

We do not have a recommended alternative, so please contact other sensor manufacturers.

【Reason for change】

Due to discontinuation of sensor module production.

【Effective date】

Last order date: End of March 2022

Last shipment date: End of September 2022

Due to the limited stock of sensor modules, we can't guarantee to meet your desired quantity at the time of final ordering.

Should you have any questions, please contact your local sales representative/office for more details.
