After Picture

Overview

- Brief description of change:
 - Add alternative resin for 5024390400 and 5024390600 production.
 - The resin type of the alternative resin is "PBT UL94V-0" which as same as current resin.
 - After applying of this change, Molex products listed above will be manufactured by one of them - the current supplier's material or the alternative supplier's one by the resin material supply situation.
- Reason for Change:
 - To ensure the stable supply of the products against worldwide material shortage issue.
- Product Impact:
 - Almost no see shade difference.
 - Also, there is no affect to form, fit or function.
- Identification:
 - For the first 6 months of the production start by the alternative material, we will add "M" at the end of Traceability number of the carton label to identify products made from alternative materials.
