TE Connectivity

Product Change Notification: P-17-014234

PCN Date: 20-MAR-17

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
Connector Kit, LC Duplex, SM, Tight-Jacket 1.6-2.0 mm Cable, Epoxy-Style

Description of Changes
Contrary to a previous announcement from TE, this product is not being obsoleted. This includes p/n's 6828130-1 and 6828130-2.

Reason for Changes:
Part status change. A Product Change Notification, P-16-012886 dated 13 April 2016, was issued by the DND Business Unit (BU) of TE to advise of pending product obsolescence. This notification mistakenly included several p/n's that were instead being transferred to the Aerospace, Defense, and Marine BU. These transferred p/n's were never intended to be obsoleted, and will instead remain active.
